Introduction

Our High School Years are often considered to be the most influential and significant years of our lives. It is in High School that we begin to establish our ambitions and develop responsibility. This is an important step on the road to becoming mature adults, who are capable of coping with the problems of an everchanging society.

The keys to our future lie in education and experience. Our degree of education and its application will have a marked affect on our eventual lifestyles. The ways in which we confront problems and the situations we encounter will ultimately be the measure of our success or failure.

This educational experience is evident in this year's ARROWHEAD as the staff was forced to deal with some of today's distasteful economic problems. Due to inflation and an ever growing High School population, the student staff was faced with a tight budget with which to work. It soon became apparent that even with a price increase, the first in two years, the size of the publication would have to be re-evaluated. Therefore, each section was analyzed and priorities established. It was clear that changes would have to be made to reflect changing times.

The first alteration which will be noticed is a reduction in the size of the Advertising Section. This was brought about by a switch to what is called a Column Inch Method, which decreased the number of pages, but increased the amount of ads, resulting in a 20% savings for the staff.

A further change came as a result of a desire to better represent the interests and activities of the students at South High. Accordingly, the former Sports' Clubs', and Activities' sections were combined together into one Student Life Section. In this portion of the yearbook the staff has also attempted to introduce for the first time some stories about the events of the preceding year, a BOCES section, and some profiles covering a few of the outstanding Seniors and their talents. Serving on the 1978 ARROWHEAD hence has provided some students with experience in dealing with a budget, meeting deadlines, making innovative decisions about the substance and layout of the book, and most importantly adapting to change. Consequently, this year's staff and its product ARROWHEAD 1978 are new, but they are by no means perfect. Afterall, no change ever is!

YOU'RE ONE OF THE NICEST PEOPLE I KNOW... I AM SO LUCKY TO HAVE MET YOU, SIMPLY BECAUSE YOU HAD THE PATIENCE TO LISTEN AND BEAR WITH ME ABOUT DONNA. SOMETIMES STILL I DON'T KNOW QUITE WHAT TO THINK, AND AS IN THE PAST YOU HAVE BEEN AROUND TO STRAIGHTEN OUT MY MIND. BELIEVE IT OR NOT I'LL MISS YOU NEXT YEAR, AND I REALLY HOPE YOU TAKE A MINUTE TO WRITE ONCE IN A WHILE. A LOT OF WHAT I ONCE WISHED FOR HAS REALLY FALLEN THROUGH, BUT I GUESS THAT CAN'T BE HELPED. I WISH SOME THINGS NEVER HAD TO END, BUT THEY DO AND WILL, AND THROUGH IT ALL I HOPE YOU UNDERSTAND WHAT'S HAPPENING, AND WILL BE ABLE TO ACCEPT IT, AND TO HELP ME TO ALSO. BEST OF EVERYTHING TO YOU IN THE FUTURE. IF YOU EVER NEED A FRIEND OR SOMEONE JUST TO FOOL AROUND AND RAISE HELL WITH, JUST LET ME KNOW. TAKE CARE, BE GOOD, AND DON'T FORGET...

South High finished the 1977 Tennis Season with an overall record of 18-0, and a 10-0 League record which sent them to the Foothills Council Tournament Championship for the second time in two years. It was also good enough for South High to win the Council Title for the third straight year.

After winning the title, South High went on to the "B" Sectionals where they again won the Championship. Coach Larry Smith described the team as "the best I ever had" as it defeated both highly ranked Saratoga and Glens Falls.

In the Singles Tournament, Bill Steffen was runner-up with a 15-5 record; while Jon Morey (12-4), Marc Porter (16-2), Chuck Scully (15-2), and Joel Conklin (16-2) all had outstanding success in 1977 for South High.

AKT

AKT stands for "Alpha Kappa Tau", which is Greek for "AKT". AKT is South High's Drama Club.

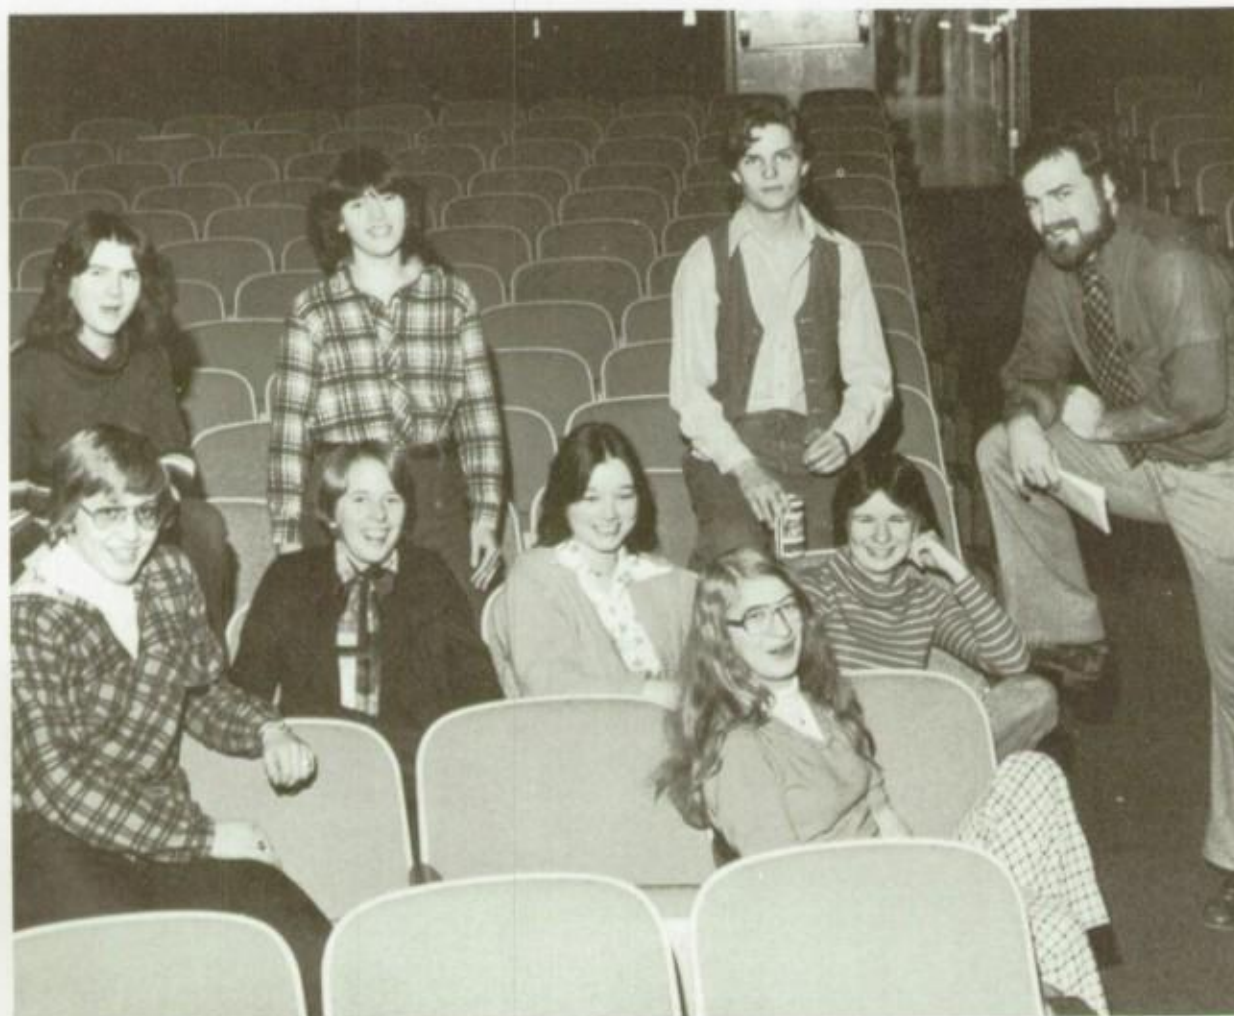

AKT was formed in 1973 by Mr. Arthur Merrill, who is currently the advisor and director of the club's productions. This year's officers were Dugald Sturges, President; Tibor Morvay, Vice- President; and Yvonne Hammond, Secretary-Treasurer.

The Spring 1978 production of "You Can't Take It With You", by Moss Hart and George S. Kaufman has been preceded by other popular plays, such as "Blythe Spirit", "The Bad Seed", "Allison Wonderland", and "Meet Me at the Fair".

"Meet Me at the Fair" pictured here was presented in 1977 as the nostalgic, "old fashioned" musical comedy about a high school class' efforts to visit the 1904 World's Fair in St. Louis. Under Mr. Merrill, and the music of Tom Finch, the play became one of the biggest hits ever produced at South High. When excerpts of the play were performed at the LARAC One Act Play Festival, three cast members were nominated for awards. They were Mark Schlake, for Best Actor; Pam Lynch, for Best Supporting Actress; and Dugald Sturges, for Best Supporting Actor. Special recognition should also have been given to the Technical Crew of Tibor Morvay, who with assistants Mark Pratt, Ed Fitzgerald, and Jackie Steele kept the performance going with their expertise.

Besides presenting plays, AKT also engages in many other activities, including attendance at theatre workshops, attending local plays, and an annual picnic and trip to see a Broadway play in New York City.

Two years ago, a Sophomore played the drums in the auditorium for his English project. This performance brought him instant success and popularity with the students of South High, who put aside their homework, gulped down their lunches, and hurried to watch him play.

The student was Dave Thombs. He is a Senior now and plays the drums better than ever! This marks the seventh year of his playing and practicing, and this effort has paid off as Dave is now a member of a popular group called, "Blues, Weather, and Jazz". The group plays all types of music for any occasion. Dave has also started another group with Eric Ambrosino on guitar; Bob Burkridge on keyboards, Gary Howard also playing the guitar, and Kevin Gilday on bass. The entire band practices Saturdays, with only the rythmn section practicing on Weekdays.

Dave's band hopes to perform at local bars and night clubs this summer, but in September Dave plans to attend college. Most likely Dave will take some music courses even though he intends to major in engineering. In the future, do not be surprised to see Dave playing with some popular group, he's got real talent!

George Sutphin, a Senior at South High has attended Karate class regularly at the Glens Falls YMCA for two and one-half years. Presently, he is ranked with a yellow belt with green tip.

"Karate is a form of imaginary fighting practice. It is called Coattas," says George. In this practice, exercises such as front, back, right, and left kicks are performed. These are basic, but after many hours of practice you can progress on to more advanced flowing movements such as spinning wheels, inside and outside hooks, and flying round horses.

The ranking in Karate starts with the white belt, followed in order of increasing difficulty by white-yellow tip; yellow belt; yellow-green tip; green belt; brown belt- 3rd, 2nd, 1st degrees; and black belt 1st through 10th degrees. Black belt-8th degree is the highest rank awarded in the United States. To obtain a black belt 9th & 10th degree you would have to go to Japan.

Karate is performed wearing a gye. A gye consists of white pants and a white wrap around shirt. The shirt is secured with a long belt, the color of the rank.

In the future, George plans to continue practicing and by the looks of his present ability he would be a good person to select as your friend.

One of the great Spring Sporting events at South High is Girls' Track. Coached by Miss Springer and assisted by Mrs. Donna Fitzgerald, the team performed quite well in 1977. Twenty eight Freshman, Sophomore, Junior, and Senior girls participated in the Girls' Track season, which began in late March and ended in May.

Girls' Track contains both Track and Field events. The Track events include the 1 Mile Run, 2 Mile Run, 880 Yard Dash, 440 Yard Dash, 220 Yard Dash, and 100 Yard Hurdles. There are also Relays at 1 Mile, 880 Yards, and 440 Yards. The Field events are the Shot Put, Discus, Running Long Jump, Standing Long Jump, and High Jump. New events in 1977 were the 330 Yard Walk, 880 Yard Medley, and 220 Yard Hurdles.

Some of the team's highlights were the four girls that made up the 440 Yard Relay.: Joan MacEwan, Nancy Finch, Margaret French, and Lynn Hansen, who earned a second place finish in the Sectionals. Margaret French also finished 1st in the Sectionals in the 440 Yard Dash, and along with Joan MacEwan finished 1st in the 440 Relay. Nancy Finch won 1st place in the 220 Yard Dash at the Foothills Council Meet and in the Sectionals, as well as winning 1st place in the Running Long Jump. Other Highlights included Sue Langlois' 3rd place finish in the 220 Yard Hurdles at the Foothills Meet; Peggy Donohue's 1st place finish in the 300 Yard Walk; Liz Lennox's New School Record in the High Jump at 4 feet 10½ inches; and Toni Carpenter's New Record in the Discus at 84 feet 8 3/4 inches.

In 1977 as Coach Springer said "the Girls' Track team improved very much," as they came in fourth in the Council overall and beat Glens Falls for the first time ever! It was also the first time the Girls qualified for the Sectionals. In 1978, the Girls' Track team should prove to be a power to be reckoned with in the Foothills Council.

The National Honor Society currently has eighteen members at South High. Miss Sakayan has been advisor of the Society for the past three years. The qualifications for membership include; Scholarship — each student must have between a 3.2 and 4.0 cumulative point average to qualify; Service and Leadership — the student is rated by the faculty on a scale of 1 through 5 in this category which includes extracurricular activities; and Character — the student is again rated by the faculty on such things as Integrity, Positive Behavior, Cooperation and Ethics. Actual

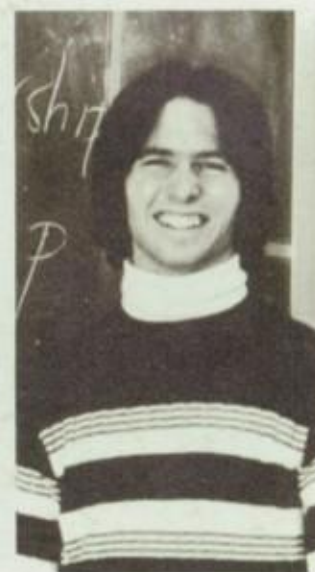

acceptance into the National Honor Society is determined by these factors and by a Committee composed of Miss Sakayan, Mr. Pelkie, and two faculty members. On the average 15% of the Seniors, 10% of the Juniors, and 5 % of the Sophomores are selected.

There are no functional activities in the Society, except for the annual ceremonial induction of new members held every Spring. However, in the future Miss Sakayan and Mr. Pelkie have indicated the possibility of some events for the Society.

The 1977 Boys' Track season ended very well, although it was not that successful of a year. The team, coached by Mr. Carey and Mr. Didio, posted a 1 and 6 record, with their only win coming against Fort Edward.

The season began in the middle of March and ran through June. Some outstanding performances were put in by Dave Bell in the Mile Walk, Fred Valastro in the Intermediate Hurdles, Jim Moss in the Long Jump, Joe Chase in the 220 Yard Dash, and Marty DiBattista in the Half Mile and Mile Run. Others who contributed significantly to the team effort were Don Bell, Mike Hewes, and Dick White.

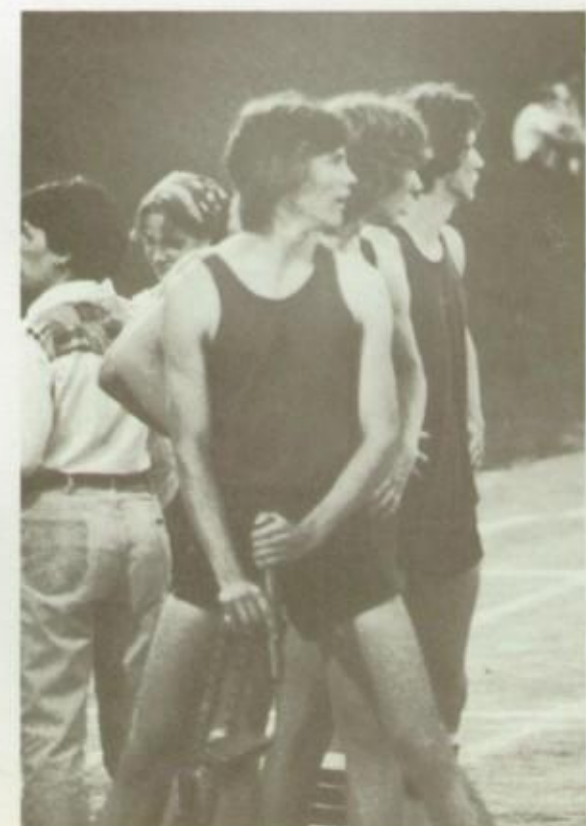

The Boys' Track and Field events differ from those of the Girls'. The Boys' running events are the 2 Mile, 2 Mile Relay, 1 Mile, 1 Mile Walk, 1 Mile Relay, 880 Yard, 440 Yard, 440 Yard Hurdles, 220 Yard, 120 Yard and 120 Yard High Hurdles. Field events include the Shot Put, Discus Throw, Pole Vault, High Jump, Triple Jump, and Long Jump.

Although the team did not score very well in 1977, it was a young, hard-working team which will see many experienced athletes returning in 1978. So this year's team should do much better.

The 1977 Baseball Season was a good year for the Bulldogs, who had a 9-9 record. South's Team was composed mostly of Sophomores. Among them were Keith and Kevin Whible, Jack Celeste, Chris Davis, Tom Carpenter, Dick Grogan, and Duane Wood. The Juniors on the team were Scott O'Donnell, Tim Pelkie, Jeff Crosier, and Greg Reising. The Seniors were John Steele, John Vishneowski, and Dave Toney.

Last year's toughest opponents for South High were the Streaks of Saratoga and the Glens Falls Indians. The easier games for the Bulldogs were against Queensbury and Hudson Falls. In one game against Queensbury, Tim Pelkie, who had the 2nd highest batting average in the league, hit the season's only grand slam. Tim, Scott O'Donnell, and John Steele were all elected to the Foothills Council All-Star Team in 1977.

The pitching staff was another asset for the Bulldogs with Jack Celeste pitching a 2 hitter on May 12, against Hudson Falls. The other hurlers on the staff were Greg Reising, John Vishneowski, and Keith Whible.

Although the team had a .500 season it finished in fourth place in the Council, and with many returning stars should improve upon that finish in 1978.

Pete Cardinale entered the cycle world at the age of 12, when he got his first bike, a Honda 70. Throughout his next three years he wore out a total of five different motorcycles.

At 15, Pete went to his first race. He competed in four amateur events that day, but did not finish well. After more practice, he finally won his first race and has not looked back since.

In 1975, he purchased a CR 125 and started racing in District 3 A.M.A. (Central New York Moto Class Riders Association) Since that time he has devoted much of his time and effort to practicing and keeping in shape for racing. Since 1975, Pete has accumulated many wins and unfortunately a broken foot. Last July, he temporarily stopped racing and sold his bike, but has just recently purchased a bigger new motocross machine and will again be hitting the trails of professional competition.

Shelly Bacon comes from an artistic family. Therefore, it is not very surprising that she, too, is an artist. She first started drawing and painting seriously when she was nine. Over the years, Shelly has developed her style through practice and study. She describes her style as Impressionistic.

Her goal in painting is to put the viewer of the picture into the same mood as she was when she created it. She is a bit of a perfectionist in trying to relay her impressions and emotions through her art. Her favorite subjects are portraits because she feels they are more natural and honest than posed pictures.

Shelly plans to work toward a Bachelor's Degree and eventually a Master's Degree in Fine Arts. She would like to make a career of art, possibly as a free lance painter. There is no doubt her talent will take her far.

The Student Council at South High is a very active organization. Advised by Mr. McCarthy, the officers include President Eileen Manz, Vice-President Cristie Champlin, Secretary Heather Dickinson, and Treasurer Julie Ducharme.

Most students are unaware of the various functions and work associated with this group. Without their cooperation and assistance many activities at South High would not exist. Numerous dances, the Senior Lounge, Homecoming and the annual bonfire, the Smoking Area, and various fund raising events for the students at South High, as well as for Local Organizations, can be attributed to the Student Council.

Throughout the year, various committees are formed to organize different activities. The Homecoming Committee, chaired by Mike Linehan, directed the Hall Decorating, the Dance, Parade, and Bonfire this year. Another group, the Assembly Committee, arranged several presentations of interest to a large portion of students in 1977-78. The Holiday decorations which livened up South were made by the Christmas Club.

In the past, Student Council sponsored Political Forums in which a panel of South High's students questioned several of the local Democratic and Republican Candidates. This year Political Forums came back to our school thanks to Student Council. The purpose was to inform the public and the students about the platforms of the Town of Moreau candidates. This year's Student Panel was composed of Dugald Sturges, George Velesko, Eileen Manz, and Mike Hyde. Student Council was also responsible for two students, Cristie Champlin and George Velesko, attending School Board meetings where they expressed their opinions regarding school operations. In short, Student Council puts forth its best effort to serve the students of South High. They deserve everyone's support and thanks!

There are many musicians at South High. Among them are a few special ones and Kevin Gilday is one. After two and one-half years of self teaching, Kevin has started his own band.

Influenced by his friends, he has played six string guitar since last August and has alternated this with duty on the electric bass. He is most serious about the bass and practices it almost every day by himself or every other day with the band.

Kevin plans to attend college upon graduation and intends to minor in music. He probably will attend A.C.C. then transfer to some four year college. After that he would like someday to be a successful professional musician.

The 1977 Varsity Soccer team, under the coaching of Larry Smith, had an outstanding season, winning the Foothills Council Championship for the fifth consecutive year.

The team had a league record of 7-2-1 and their overall record was 11-4-2. They scored 34 goals and gave up a mere 15. South High had the least goals scored upon them of all the league's teams, with a remarkable 8 shutouts.

Top Scorers for the Bulldogs were:

	Goals	Assists
Shawn O'Brien	13	6
Kevin Whible	6	2
Duane Wood	6	2
Dave Whalen	5	2
Joel Conklin	1	4

Outstanding defensive players included Chris Davis, Glenn Allen, Jeff Crosier, Joe Chase, Rick Leonelli, and John Jones; while the top players in the Foothills Council were Crosier, Allen and O'Brien who all were members of the First Team. South High also had Chris Davis and Duane Wood on the Second Team in the Foothills Council.

Coach Smith said "the team really did not get it together until the last three or four games because the team did not get the ball down into scoring position as well as in other years so the shots that were taken were not often good ones. However, in the last three games teamwork really showed."

The 1978 team should be just as good with some outstanding new players including Jim Davis and Don Bell. Also, you can expect a number of fine J.V. players to make the Varsity in 1978.

DECA is a national organization of Distributive Education Students. DECA is designed to acquaint students with such areas of Business as Marketing, Merchandising, and Management; and to aid them in seeking careers in these fields.

DECA has many activities including the annual installation banquet. This year it was held on Tuesday, November 8, at the Polish-American Club in Albany. This banquet was semi-formal and officers from each school were installed. Amber Gorrie was this year's President; Jackie Helwig was the 1977-78 Vice-President; Peggy Tracy was Secretary; and Kim Mahoney, Treasurer. Each were installed at that night's ceremonies.

DECA has annual competitions. Last year, Bob Hickey entered the Sales Demonstration competition; Donna Derway in the Radio Advertising competition; and Barbara Fuller finished third in the Billboard Advertising contest. JoAnne Caccavo won fourth place in Public Speaking; and Keith Darrah won fifth place in Merchandising Math.

This year's entries were as follows:

Billboard Advertising: Mary Kloss and Jackie Helwig

Merchandising Math: Tom Woodard and Sally Fuller

Radio Advertising: Kevin Gilday and Leslie Chamberlin

Sales Demonstration: Tina Duckett and Jackie Helwig

Ad Layout: Cindi Hoag and Julie Williams

Public Speaking: Amber Gorrie and Tina Swears

Job Interview: Peggy Tracy, Tom Woodard, Nina Clark, and Steve Hazelton

Food Service: Sally Fuller (manager/owner) and Lynn Martin (master employee)

Fund raising activities took place in October and November, and the 1978 competitions were in January.

This year's competition brought back seven trophies. Winning first place and two trophies in the Food Services contest was Lynn McIntosh. Sally Fuller won fifth place in Merchandising Math. Jackie Helwig won first place in the Sales Demonstration Contest, Julie Williams won first place in the Ad Layout Contest, Mary Kloss won first place in the Billboard Contest and Amber Gorrie was awarded third place in the Public Speaking Contest.

DECA students now have the opportunity to compete in the State Finals.

The 1978 Bowling Club, although composed mainly of Sophomores, was still one of the more popular activities at South High. The Club had almost 30 active members, but there were many more who came just to bowl "once in a while". For \$1.75 a participant could bowl three games, including shoes, and was eligible for team and individual trophies.

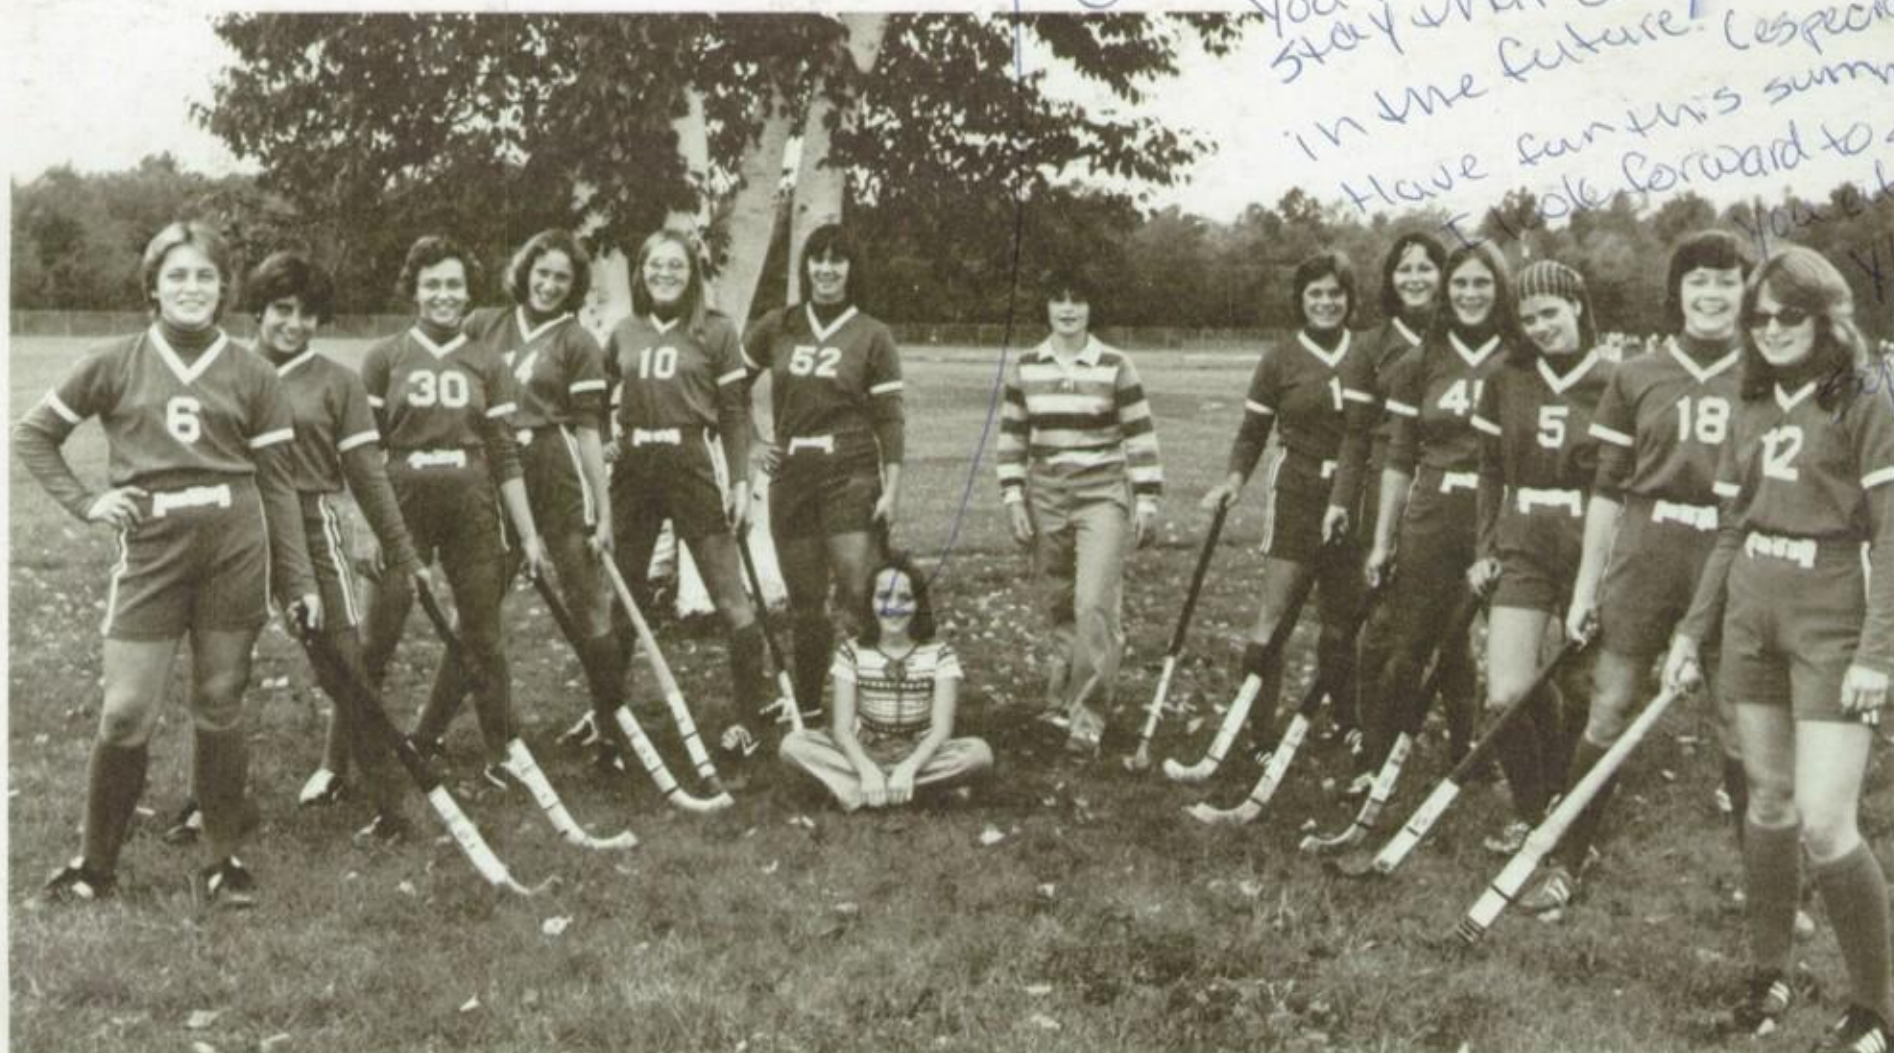

The boys had several high scorers in Bill Novak, Bryan Wadleigh, Bob Combs, and Tom Hamelin. Top bowlers for the girls included June Churchill, Traci Hodgson, Chris LaPierre, and Laura Hopkins.

For those who wanted to bowl, they could take Bus 67 to Pine Lanes at the close of school on each and every Thursday. Bus Transportation home was not provided, but did not seem to be a serious problem for those who wanted to participate. In the coming year we are looking for even more students to have fun bowling. All are welcome!

Field Hockey is a sport that came to the United States in 1939. It is a combination of Ice Hockey and Soccer with somewhat similar rules. There are 41 rules to the game, covering a wide range of topics, from uniforms to scoring.

Girls must be physically fit and have the following assets:

1. Quick reflexes. 2. Self-discipline to know strengths and weaknesses. 3. Love of running and physical fitness. 4. Knowledge of rules and thinking player.

This year's varsity hockey team certainly complied with these terms, with a record of 4-3-3. The team placed third in the Foothills' Council.

Leading players on the Hockey team were:

Name	Position	Class	Accomplishments
Karen Sawin	L. Wing	Jr.	10 Goals
Jayne Phinney	L. Inner	Jr.	3 Goals
Laurie Schmidt	C. Forward	Sr.	9 Goals
Kathy Petteys	L. Halfback	Soph.	176 Tackles
Sue Langlois	C. Halfback	Jr.	185 Tackles
Peggy Donohue	Half & Fullback	Jr.	103 Tackles
Toni Carpenter	Goalie	Sr.	50 Saves

The team had one Freshman member this year, Kim Ross, who scored 1 goal.

The girls had to play in all kinds of weather this year. During the Gloversville away game, there was 4" of standing water on the field with forty mile per hour winds.

All time leading players for the Bulldogs were:

1976-77 Karen Sawin = 15 goals; 1974-75, Jody Coley = 16 assists; 1976-77, Toni Carpenter = 116 saves; 1974-75, Laurie Clifton = 210 tackles

The J.V. team tied for first place in the Foothills' Council with leading players:

Cathi Healy- 6 assists, Teresa Studenka- 5 goals. Renee Johnson- 38 saves, Debbie Hardick- 126 tackles

From June 26 to July 2, 1977, two South High Seniors, Dan Dunbar and Mike Karpinski, attended Boys' State. Boys' State is an American Legion sponsored event where High School Boys from around the State get a chance to see how State Government really works.

Held at Morrisville College, it was attended by boys nominated by American Legion posts from around the State. Boys' State was just that: a microcosm of New York State, run by boys. The participants were divided into two parties, and lived in dorms-each floor a "city" and each dorm a "county." Caucuses were held on the "state" "county", and "city" levels, and nominated candidates for everything. From Mayor to County Sheriff, to Governor. Though there was supervision (counselors, etc.), the "state" was pretty much run by the boys-they elected officials, made the laws, even held trials.

Every day there was a meeting of the entire "state" where guest speakers came and gave talks on State Government, and Citizenship. In addition to the learning experiences, there was also inter- "city" competitions in Soccer, Basketball, and Softball.

The 1977 Varsity Volleyball Team consisted of one sophomore, two juniors, and three seniors. Sophomore Sue Spellman showed her excellent capability this year by scoring 62 points, while Juniors Jayne Phinney and Sue Langlois accounted for a remarkable 135 points between them. Not to be outdone by these underclassmen Seniors Renee Backus, Kim Mahoney and Wendy Tatsey scored 36, 44, and 33 points respectively.

The team's record for 1977 was 9-1 with the only loss coming at the hands of Hudson Falls in a tough 2-0 decision. Other South High opponents were not so lucky:

South High vs. Glens Falls (SH) 2-1 and 3-2.

South High vs. Queensbury (SH) 2-0 and 2-0.

South High vs. Saratoga (SH) 2-1 and 2-0.

South High vs. Gloversville (SH) 2-0 and 2-0.

South High vs. Hudson Falls (SH) 2-0

This remarkable record led the Varsity team to the Footshills Council Championship. Congratulations Girls!

Barbara Fuller is a very artistic person. She started developing and perfecting her artistic talent during her Sophomore year of high school. It was in tenth grade that she took Creative Crafts and Art Studio.

In her Junior year, Barb advanced to the study of Drawing and Painting; and this year she has elected Sculpture, Ceramics, and Art Appreciation. Consequently, she will graduate with an Art Major.

Barb has also taken different courses in the history of different art forms, but her main interests are in painting and ceramics. She especially likes to paint landscapes, portraits, and combinations showing both.

Miss Fuller plans to continue her education in art at Adirondack Community College upon graduation, but at present has made no decision about making art her career.

Mary Smaldone, a Senior, has played Flute in bands in South Glens Falls for some seven years. She plays very well and as a result has earned the rank of First Chair in the South High Band.

Mary has also played the Piccolo for five years and receives independent lessons from Mr. Richard Smaldone twice weekly. She is not only proficient with these instruments however, as she also plays the Piano, French Horn, and Trumpet.

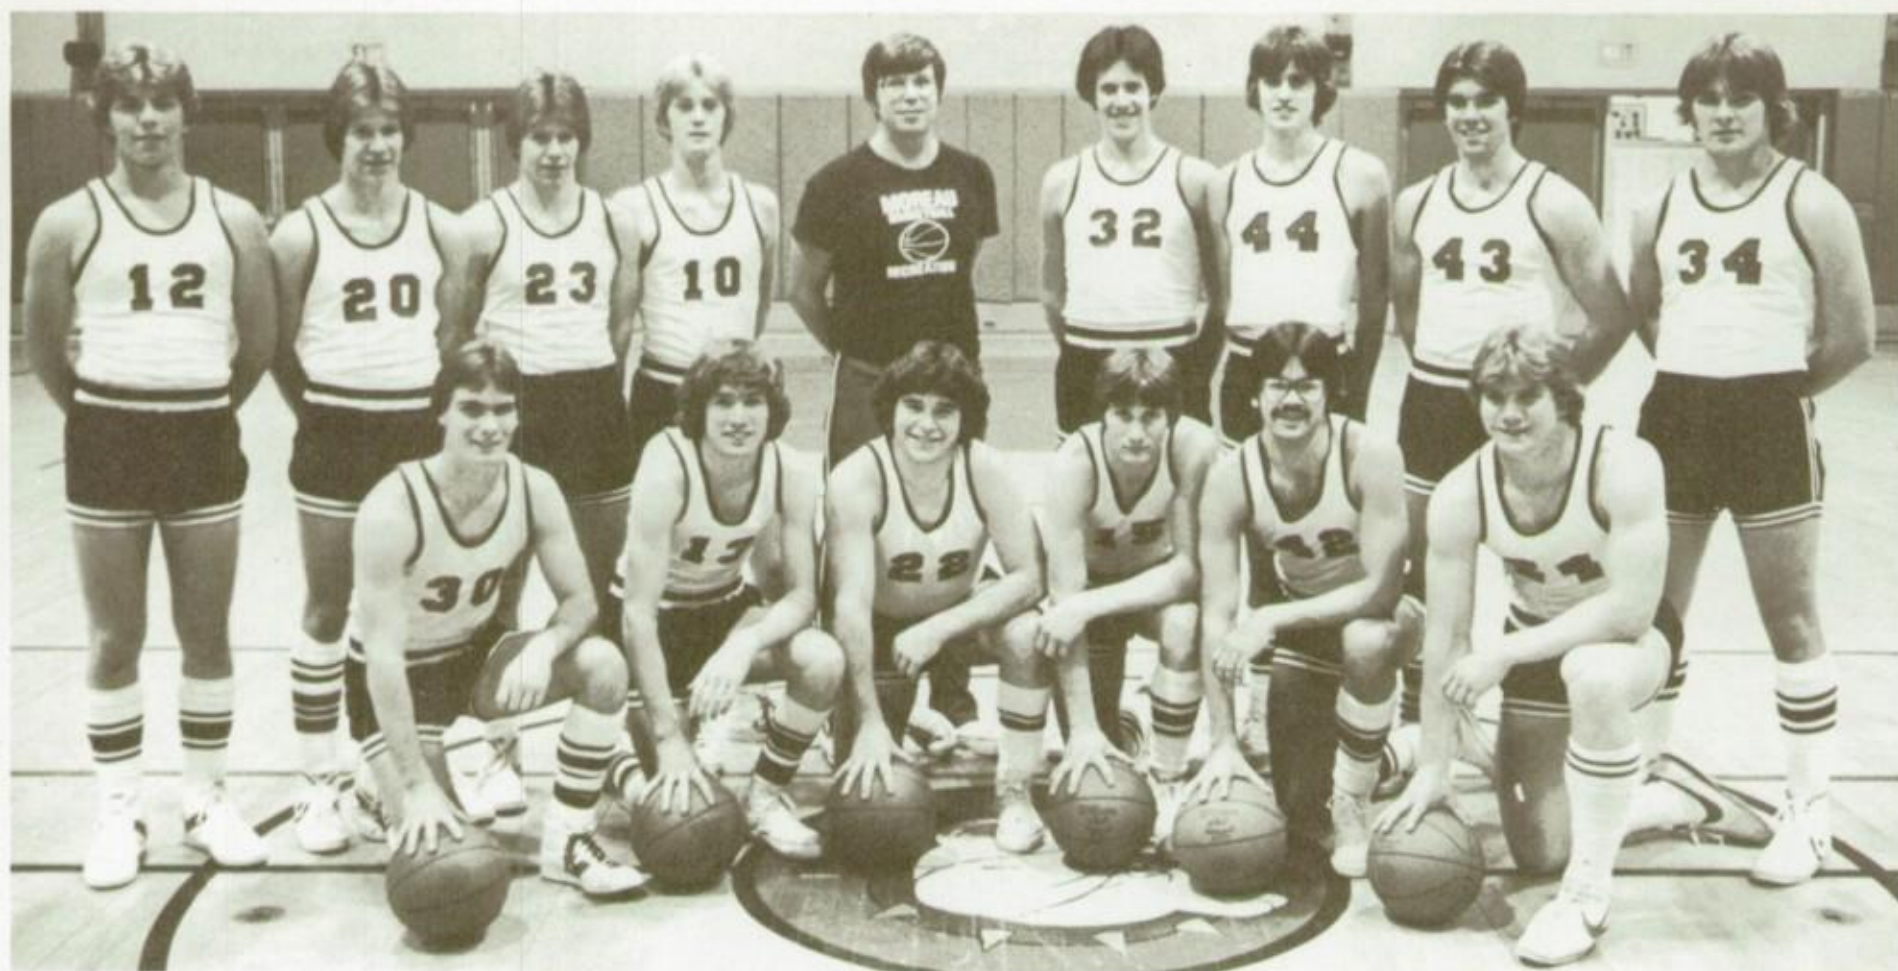

In the future, she has indicated a desire to be involved with music. Presently, she has applied to two colleges-Onondaga and Plymouth State. In college, she would like to explore professional recording. In this field, she would study the technology of recording and become familiar with both studio and live performance recording. When asked if she would like to be a performer herself, she replied, "Maybe, it is certainly a possibility".

PEOPLE WHO NEED PEOPLE by Jeannie Clark

During the past few years, a group of students from South High have taken part in a program involving the Wilton Developmental Center. The program included a group of students who volunteered time to work in various activities. Some of the activities included roller skating, dances, skiing, variety shows, trips to both Storytown and Gaslight Village, Sunday visits, bus rides, and birthday and holiday parties.

In these type programs people often tend to believe that the recipient is the most fortunate one, but in this case however, it was the volunteer who found the most satisfaction. The volunteers were able to learn and share much with these people, and continue to hope that they somehow were of help to them.

South High's 1977-78 Varsity Wrestling Team once again proved what can be done when a team works hard and makes sacrifices. The team's overall Dual Meet Record was 10-5 this year, but in itself this does not indicate the way the team wrestled during the second half of the season. In the words of Coach Harland, "the team peaked at the Peru Tourney and wrestled superbly the rest of the season." This is further evidenced by the fact that South placed seven wrestlers in the Sectionals. They were:

Howard Weller at 91 pounds
 Tim French at 98 pounds
 Ed Fitzgerald at 105 pounds
 Roger Merrithew at 112 pounds
 Chris Butterfield at 119 pounds
 Dar Weller at 145 pounds
 Bill Hicks at 167 pounds

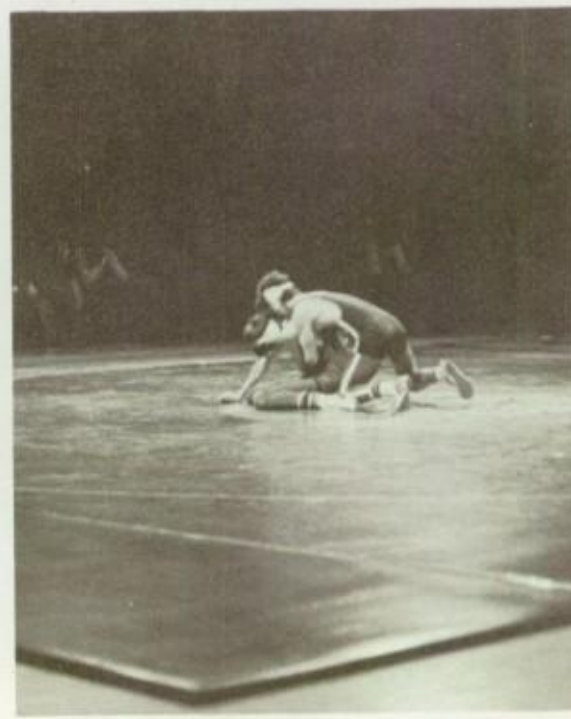

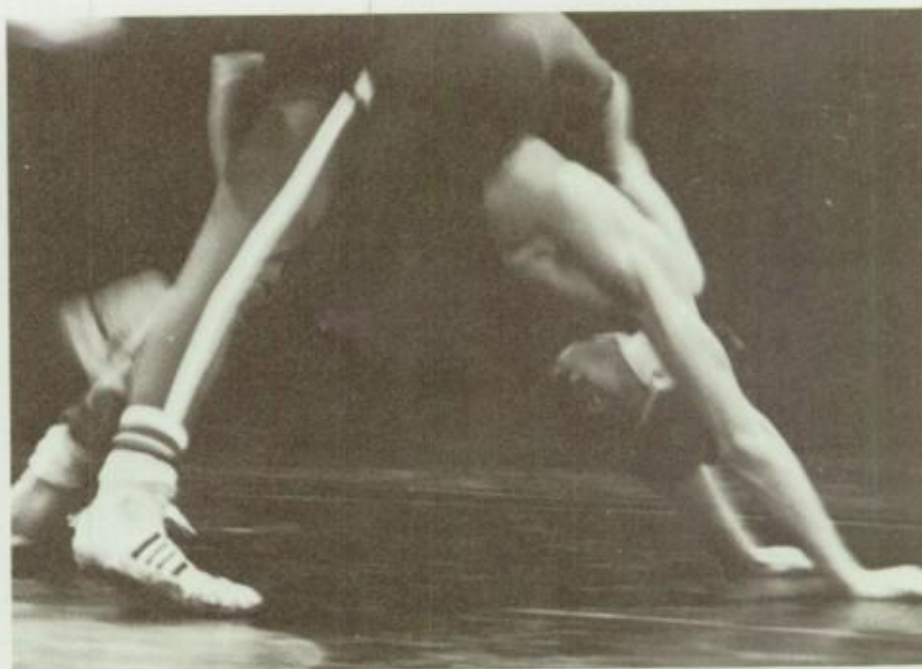

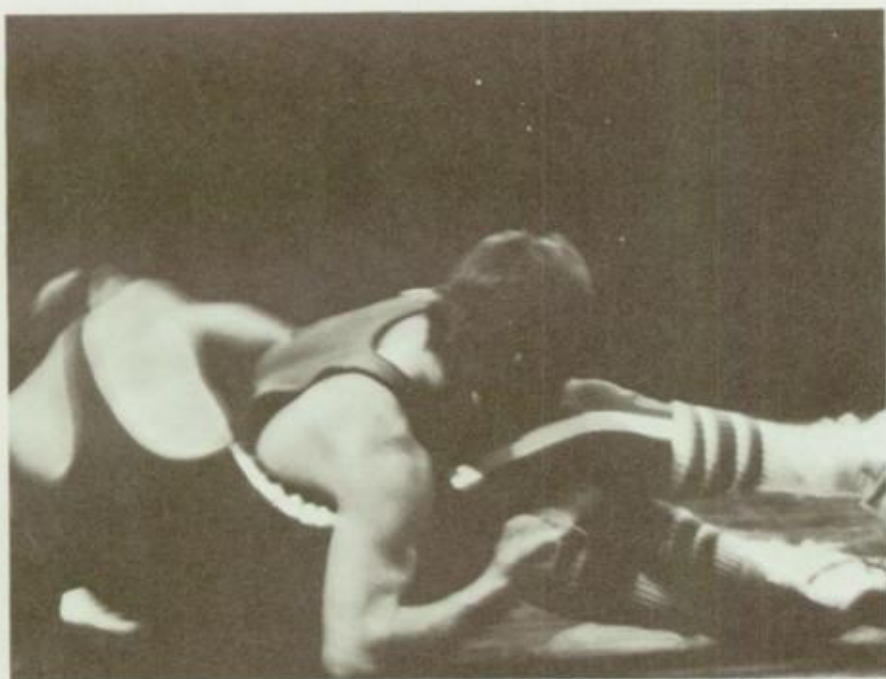

Certainly, this team had a lot of character and must rate among the best in a long line of fine South High Wrestling Teams. With many returning lettermen, they will of course be even better next year!

Ski Club is designed for students interested in downhill skiing. This club has no fund raising activities or membership fees. The individual student either provides his own equipment or rents it at the ski area. Its only purpose is for students to be able to learn to ski with their classmates on a regular basis.

Mr. Hoover advises the Ski Club which meets every Monday during the season at West Mountain, where a club discount is offered to each member. Trips to other areas have been discussed, but the difficulty of transportation has prohibited this.

BOCES

By Melinda Seaman

For those who wish to acquire specific skills necessary for certain vocations, BOCES is the solution for many students. Although many people have misconceptions about this program, the Board of Cooperative Educational Services holds a great deal of potential for those without plans for an academic future.

Approximately 120 South High students travel daily to the BOCES center in Saratoga Springs. This enrollment figure appeals to be about average for South High, with little variance from year to year. In September, 138 students had signed up; however, this number declined to its present level due to loss of interest, drop-outs, and students moving

away.

Students who go to BOCES each morning also attend regular classes at South High for the remaining portion of the day. Each vocational course usually consists of a two-year sequence. Two and a half credits are granted for each course toward graduation; at that time most students choose to enter a career involving their vocational skills, while some prefer to go on to junior college or college to further their academic education.

Additional courses are being added each year, due to demand and occupational requirements. Landscaping is a new course being offered this year; warehousing also is a new vocational field.

The benefits derived from the BOCES program are reflected in these statistics. Listed below are the percentages of stu-

dents who participated in a vocational course last year, and who are at present employed in that particular vocation:

90-100%: Electronics, Graphic Communications, Heavy Equipment Maintenance, Machine Shop, and Practical Nursing.

75-90%: Data Accounting, Electro-Mechanical Repair, Health Care, and Trade Electricity.

50-75%: Auto Body Repair, Food Trades, Horse Grooming, Laboratory Testing, and Metal Fabrication.

0-50%: Auto Mechanics, Beauty Culture, Building Trades, Conservation, Ornamental Horticulture, and Recreational Vehicle Repair.

Brigitta Riedweg

By Jeannie Clark

Brigitta Riedweg was born on May 5, 1960 in Lucerne, Switzerland. She came to South Glens Falls on April 24, 1977 following her graduation from High School in Lucerne.

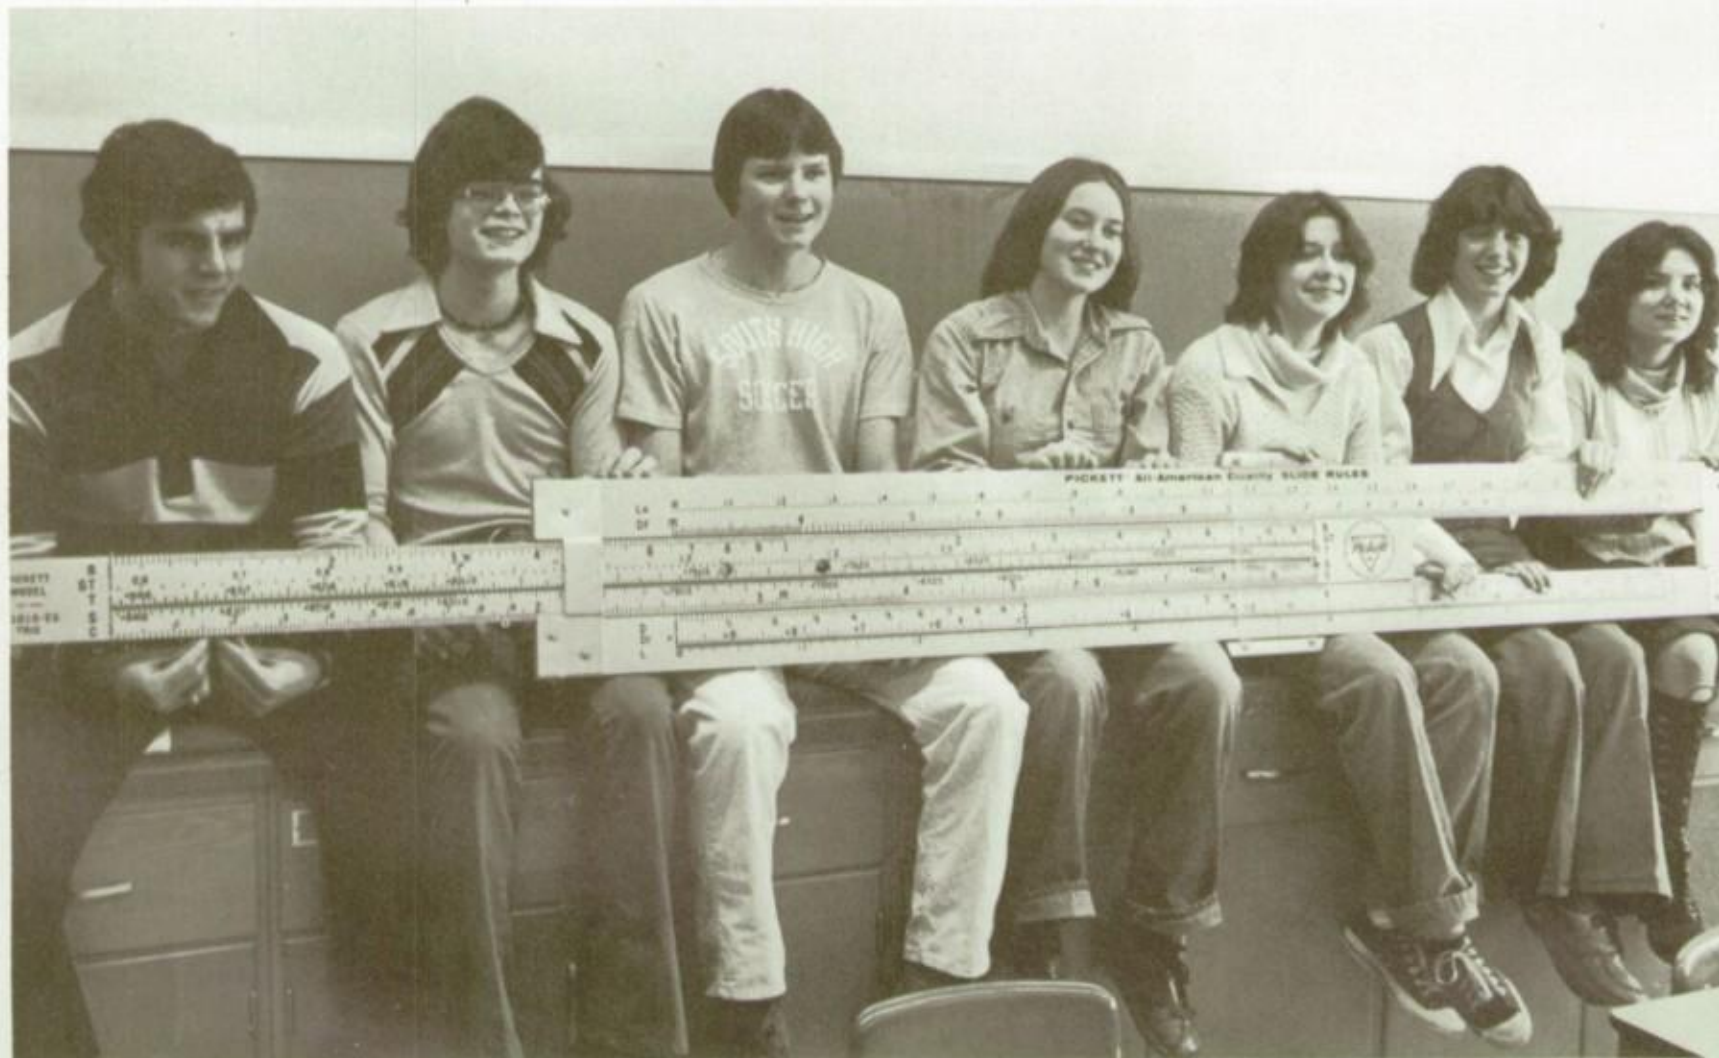

During the first few months of her stay, Brigitta's best friend was a little black book — a dictionary. Now, one year later she has nearly mastered our language.

In Switzerland, there is no choice of subjects, no dances, and no bands. At South High, Brigitta takes a variety of subjects, including creative crafts, typing and history. She especially enjoys history, and thinks it is very interesting. She is also looking forward to learning new languages.

Her hobbies include cooking and cleaning and she is a member of M.Y.F. (Methodist Youth Fellowship). Brigitta someday hopes to become a stewardess.

Unfortunately, before the end of the school year, Brigitta returned to Switzerland. She was living with her aunt and uncle, the Gatchells. Hopefully, Britta's memory of South High will be as lasting as ours will be of her.
